WORK EXPERIENCE

Student (June 2014- May 2018)

- During my studies at university I had the opportunity to precipitate in different real life marketing and business projects for businesses in Vijayawada. One of these projects was for the Minerva Grand where myself and two other students were asked to design and implement a marketing plan targeted at new and existing customers to gain market share for the Minerva's Bar & Grill with a new promotional idea. This marketing plan was successfully implemented into it and is being used successfully today.
